

Sponsorship Proposal

ClutchKidz LLC

Sponsorship Opportunity

At ClutchKidz LLC, we are pioneering a bold vision to revolutionize motorsports and technology, blending cutting-edge innovation with a mission to inspire the next generation of engineers. To achieve this, we are seeking sponsorship to advance our ambitious project of building a competitive race team while we make future of AI engineering happen.

Your sponsorship will enable us to accelerate the development of race cars equipped with over 1,000 sensory inputs, creating a real-time data environment that not only pushes the boundaries of automotive performance but also serves as a learning platform for artificial intelligence. The funds raised will support race participation, advanced research and development, and the expansion of our STEM workshops for youth. These programs are designed to nurture talent in engineering and mechanics, ensuring that the next generation is equipped to innovate and lead

Currently, we are raising \$100,000 through sponsorship. In exchange, sponsors can gain exclusive branding opportunities through race car exposure, event promotions, and dynamic social media campaigns and Fractional ownership to our technology.

ClutchKidz LLC

ClutchKidz LLC is a groundbreaking grassroots racing team with a mission to fuel young talent in motorsports, engineering, and technology. We provide a dynamic space where teens and young adults can develop real-world skills in technology, mechanics, teamwork, and business, all while chasing their racing dreams.

Operating out of Venice, CA, we blend high-performance racing with cutting-edge innovation, incorporating AI, machine learning, and data analytics into our vehicles. This unique approach not only enhances race-day performance but also drives advancements in automotive technology, autonomous systems, and engineering solutions.

At ClutchKidz, we're more than just a team—we're a movement. Our platform delivers unparalleled exposure for sponsors through viral marketing, competitive success, and community-driven initiatives. Committed to sustainability and STEM education, we aim to shape the future of motorsports while building a pathway to compete at the Formula level by 2030.

Currently, we have planned to raise funds through sponsorships.

Our Services

At ClutchKidz LLC, we seamlessly integrate motorsports, education, and technology to create value for our community, partners, and fans.

1. Racing Excellence

We compete in high-profile drifting and SCCA races, offering sponsors unparalleled branding opportunities through vehicle exposure, event visibility, and media coverage.

2. STEM Education

We inspire the next generation of engineers through hands-on workshops, focusing on mechanical skills, teamwork, and innovative thinking.

3. Technology Development

Our AI-powered race cars feature advanced neural networks with over 1,000 sensory inputs, driving advancements in machine learning and automotive innovation. Mission to make solutions for challenges AI is facing today and tomorrow.

ClutchKidz LLC delivers a dynamic platform for sponsors to engage with cutting-edge technology, STEM education, and the adrenaline of motorsports, we do what we all love together.

Goals and Objectives

Participate in Global Racing Events

Compete in regional, national, and international motorsport events to establish ClutchKidz as a recognized force in the industry, showcasing innovation and performance on a global stage.

Expand Our Network

We aim to expand Our Network Strengthen and grow the ClutchKidz community by attracting new sponsors, partners, and talented young drivers, fostering collaboration and shared success.

Raise Funds

We want to raise funds of \$100,00 through sponsorship. In exchange of sponsorship, sponsors can avail different marketing promotions. On the corporate side we are also looking for investors.

Inspire Next Generation

Serve as a beacon of inspiration for young motorsport enthusiasts and aspiring engineers, encouraging them to join the industry and push boundaries in racing and technology.

Why Sponsor Us

Boost Brand Exposure

Through our sponsorship, you can showcase your brand to a diverse audience through viral social media campaigns, live events, and motorsport competitions.

Build Strategic Connections

You can collaborate with innovative communities, and engage with motorsport fans, and connect with future tech talent. This can help company to connect with industry figures. To the MOON!

Champion Innovation

You can support cutting-edge advancements in AI, machine learning, and sustainable automotive technology. Therefore, this sponsorship can also help you to support innovation.

Heightened Visibility

You can enjoy branding opportunities on race cars, event banners, and high-impact social media campaigns. This will bring more visibility and value
